Also on **OCT. 2**, Executive Director Greg Johnson, of The Summit Project, will begin his 150-mile hike from the top of Cadillac Mountain, to the summit of Katahdin, to honor our fallen heroes, and to raise money to build a more sustainable organization to continue the mission into the future.

TSP 150-MILE MEMORIAL RUCK FUNDRAISER

THE SUMMIT PROJECT
SERPENT POLICE HERONS ST. ANNE

*"To honor our state's newest war casualties
and the faithful spirit of all Mainers."*

This is the mission of The Summit Project. We bring together the surrounding community to honor our fallen heroes in a very unique way — by **LEARNING** about each fallen Maine hero, **LAUNCHING** on a trek somewhere in the world while carrying tribute stones given to us by their Gold Star Families, and writing **LETTERS** back to these families once we have completed our journey to let them know that their loved ones' legacies live on in all of us. By performing these 3 simple yet ever-important tasks, we are able to ensure that the memories of our fallen Maine heroes will never be forgotten.

On Oct 2nd, 2019, our Executive Director, Greg Johnson, will launch on a **150-mile trek** from the summit of Cadillac Mountain at Acadia National Park to the summit of Mt. Katahdin at Baxter State Park in an effort to accomplish two very important tasks:

- 1) *To honor our fallen heroes and raise awareness across the state about the important work TSP does for our Gold Star Families;*
- 2) *To raise \$50,000 in support of building a more sustainable organization that can continue driving forward with our mission long into the future.*

If you or someone you know would like to make a donation to this mission, please visit <https://www.crowdrise.com/o/en/campaign/150-mile-tsp-memorial-ruck>
