

The Katahdin Chamber of Commerce regretfully announces today that, due to covid-related restrictions, our Trails End Festival will not take place this coming September. This was not an easy call to make but we feel it is a necessary one for this year. The safety and health of our community is of the utmost importance, as well as abiding by government regulations.

We are eager to be back in action for 2021 and hope to bring a festival and celebration above and beyond what we have had in the past, providing positive health trends continue and allow us to do so.

Sincerely,

Katahdin Chamber of Commerce
